Guild Mortgage – Company Fact Sheet

Company Overview:

Founded in 1960 when the U.S. mortgage industry was just forming, Guild Mortgage Co. is a nationally recognized independent mortgage lender offering a wide range of residential mortgage products and local in-house processing, underwriting and funding. Its collegial and entrepreneurial culture enables it to deliver unsurpassed levels of customer service. Having been through every economic cycle, the company has grown 16-fold since 2007, and now has more than 3,800 employees operating from 250 branch and satellite offices in 25 states – making it one of the fastest-growing mortgage companies in the nation. Guild’s highly trained loan professionals are experienced in government-sponsored programs such as FHA, VA, USDA, low down payment assistance programs and other specialized loan programs.

The company generated \$15.9 billion in loan volume in 2016, as compared to \$1 billion in 2007. In addition, Guild services more than 155,000 loans, and has correspondent banking relationships with credit unions and community banks in 47 states. (Equal Housing Lender- Company NMLS #3274).
